

Vier Personen

Laibach

compagna dei macella: eja, eja, alala! Ne razpihumjo ognja iz ust zivali,
bojmo se zanamcev, skrivajmo svoje namene:
eja, eja, alala! Izostriamo cute, eja, eja,
veter zge med zitom, eja, eja,
nase meso disi po ozganem: eja, eja, alala! Namenili smo si Veliko Strast:
KDO DVOMI O STRASNI MOCI the ROGOV!
