## You Dream Flat Tires

## Joni Mitchell

It came to pass Like lightening striking from above Electric flash Like lightening striking from aboveStruck by precious love Precious, precious loveSo hopeless and so inspired Why do you dream flat tires? When you dream flat tires You dream flat tiresWith a jack and a spare Trying to get to where love is Coming in on a wing and a prayer Trying to get to where love is Cause love is precious love You said it was preciousFirst you felt my fire Before you dreamed flat tires You dreamed flat tires You dream flat tiresWoman she bounce back easy But a man could break both his legs Are you telling me that to tease me Or just to hear me beg?'Cause I know that you love me And what are you gonna let love be Just a vague flirtation Or extra special company?'Cause love is precious love You said it was preciousWhen first you felt my fire Before you dreamed flat tires You dreamed flat tires You dream flat tiresWoman she bounce back easy But a man could break both his legs Are you telling me that to tease me Or just to hear me beg?I know you love me What are you gonna let love be? Flat tires, flat tires
