

The Book of Love (Live at Whelans)

Gavin James

The book of love is long and boring
No one can lift the damn thing
It's full of charts and facts and figures
And instructions for dancing But I, I love it when you read to me
And you, you can read me anything The book of love has music in it
In fact, that's where music comes from
Some of it is just transcendental
Some of it is just really dumb But I, I love it when you sing to me
And you, you can sing me anything
You can sing me anything The book of love is long and boring
And written many years ago
It's full of flowers and heart shaped boxes
And things we're all too young to know But I, I love it when you give me things
And you, you ought to give me wedding rings
You give me things
You ought to give me wedding rings
