

Underground

Life of Agony

If you don't walk with me, I will walk alone
Hard enough to believe in myself
When I know they don't believe in me
Unwilling to change for society I'll be who I want to be
I want to tear it up, tear it out
Get my aggression out
This is what we're here for, control the dance floor This is why we're here
I said, this is why we're here
So when will it end, when will it end
When will they comprehend, comprehend That we will overcome this system
I said this is why we're here
They keep on kicking me down, kicking me down
Tryin' to keep me underground, underground But did I mention we were paving the way
For the new breed of bad seed
We'll never let up until we hear every voice scream
Screamin' these words, screamin' these words 'Til every voice is heard, voice is heard
They keep on screamin' these words, screamin' these words
'Til every voice is heard
Calling from the underground! I can feel it in the air I breathe!
I can see we all agree
Unwilling to change for society
We'll be who we want to be We are the underground
We are the underground
