Sinners Prayer

Tim Neufeld & The Glory Boys

Sinnerâ€™s Prayer â€“
Tim Neufeld and the Glory Boys

Iâ€™ve been down in the dark
Got holes in my heart
Burned soles on my boots from all the hell that Iâ€™ve walked through.
Lie awake in the night
Prayinâ€™ for a little light
Runninâ€™ down all my fears but youâ€™ll never see my tears hit the ground
Heaven help me now.

CHORUS
I need savinâ€™, sweet amazinâ€™
Grace, Iâ€™m waitinâ€™ for so long to taste that water
Wash it all away â€“
Believe in, unforgiving
Reckless ramblinâ€™, all the gamblinâ€™, canâ€™t escape the living proof
I need you

Iâ€™ve been down on my knees
Trying to believe
But when I close my eyes all I see is lies-
Tellinâ€™ me, who Iâ€™m never gonna be

CHORUS

Bridge
If you hear me way up there
Wonâ€™t you take this sinnerâ€™s prayer
Send me down a little sign
Lord knows Iâ€™m running out of Time ---

CHORUS
I need you x2
