

Handcuffs

Prince Royce

I know it all gets a little crazy
But I got faith in you and me
I know it's hard but'll never faze me
'Cause you let me let it be I gave it all up but it never was enough
Went up a long road but it led me right to us Don't let me come down, let me come down oh
You the one now, you the one now oh
Got a bad girl back at home now oh
Oh oh oh oh I know it all gets a little crazy
But I got faith in you and me
I know it's hard but'll never faze me
'Cause you let me let it be You're the only one who doesn't try to change me
Or strain me to take it all off
And for the first time in my life
Feels like my heart is out of these handcuffs Out of these handcuffs
(Out of these handcuffs) I've been running red lights with the sirens all turned off
But we don't need no drama when you fill me up with love Don't let me come down, let me come down
Baby, turn around and show a little more
You the one now, only one now woah
Oh oh oh oh I know it all gets a little crazy
But I got faith in you and me
I know it's hard but'll never faze me
'Cause you let me let it be You're the only one who doesn't try to change me
Or strain me to take it all off
And for the first time in my life
Feels like my heart is out of these handcuffs Out of these handcuffs (These handcuffs)
(Out of these handcuffs) We're so
Close that it's like we were bodied now
Know what's my work but I'm feelin' now
So like when I ? screaming high I know it all gets a little crazy
But I got faith in you and me
I know it's hard but'll never faze me
'Cause you let me let it be
You're the only one who doesn't try to change me
Or strain me to take it all off
And for the first time in my life
Feels like my heart is out of these handcuffs (These handcuffs)
(Out of these handcuffs)
(Out of these handcuffs)
