On The Edge

Unsun

I've changed my world
When you were away, I'm waiting...
That is my truth... without you
That is my escapeI close my eyes
You disappeared behind the doors of my heart
I can't listen to your lies
I don't hear your bitter wordsI can't look in back
I search for my love
I search for my luck
I can't be taken care ofI close my eyes
You disappeared behind the doors of my heart
I can't listen to your lies
I don't hear your bitter words
I close my eyes
You disappeared behind the doors of my heart
I can't listen to your lies
I don't hear your bitter wordsThis time has been lost
Never were together,
And never will be...
Now you suffer the mostYou light my fire when I fall
You light my fire when I fall
You light my fire when I fall
You light my fire when I fallI close my eyes
You disappeared behind the doors of my heart
I can't listen to your lies
I don't hear your bitter words
I close my eyes
You disappeared behind the doors of my heart
I can't listen to your lies
I don't hear your bitter words
