Whisper

Burning Jet Black

I won't be your whisper
Landing calm upon your ear
I won't be your whisper
Landing calm upon your ear
I'm not landing calm upon your ear
Just to lie about your fearsI won't be your gunfire
Spraying cover for your crimes
I won't be your gunfire
Spraying cover for your crimes
I'm not spraying cover for your crimes
Just gonna leave here when it's time
With all I give away
You take so much that I can't breathe
Oh, you know I aim to please
But it's your bad fortune that's got me on my kneesI won't be your hatchet
Clearing brush to stop a fire
I won't be your hatchet
Clearing brush to stop a fire
I'm not clearing brush to stop your fire
'Cause nothing flames up like a briar
With all I give away
You take so much that I can't bleed
Oh, you know I aim to please
But it's your bad fortune that's got me on my kneesI won't be your whisper
