

# Rules Don't Stop

## We Are Scientists

Don't be alarmed, it's not the end of the world  
If we're breaking the rules, it's fine  
I disregard this kind of problem all the time  
It's not as if it's gonna kill anyone  
If there's no victim then there's no crime  
Just draw another if you think we crossed a line  
Rules don't stop me, forget about it  
Rules don't stop me, we'll get around it  
Rules don't stop me, forget about it  
Don't stop me, don't stop me  
Although it may seem unconventional sometimes  
Indiscretion is worth a try  
If you just play along, I promise we'll be fine  
So leave your hang-ups back at the door  
When you and I are down on the floor  
Well, you know what to do about it  
You know what to do about it  
Rules don't stop me, forget about it  
Rules don't stop me, we'll get around it  
Rules don't stop me, forget about it  
Don't stop me, don't stop me  
It's not as bad as they say, if this is such a mistake  
Why does it seem to make you so damn happy?  
This is no time to behave, let's both get carried away  
If there's a price to be paid, it won't stop me  
Rules don't stop me, forget about it  
Rules don't stop me, we'll get around it  
Rules don't stop me, forget about it  
Don't stop me, don't stop me  
They don't stop me, they don't stop me
