

Give It All Up

[Amy Macdonald](#)

I believe in everything I see.
I believe you do the best for me.
It's not a lot.
It's all I've got. I believe that the day will come.
When you see that you're the only one.
And the rain will fall from the sky.
This is goodbye. Is there anyone you can call.
Have you got nobody left at all.
Your map's against the wall.
Is there no place else you'd rather be.
Did you give it all up just for me.
I'm sorry if you got me wrong.
I forgive you in a song. I wish that I could soar in the sky.
I wish that I could fly, fly, fly.
I say goodbye to my mother and bye to my dad.
You're all I have.
