

# Highways Of Love

Johnny O

Can't you see my rhythms deep inside  
Singing the songs of love and pride making me want you  
The way that I feel real in my mind, its so good  
Loving me, loving you can't you see that's love that's trueChorus:  
Jump into the highways of my heart girl  
Can't you see the --- love is everywhere  
Don't you know baby girl that I love you  
With my heart and I careIn my mind I can see you and I  
Showing me, loving me as time just goes on by  
Making me love you the way that I know its real  
Can't I prove my love to you, show you that my loves realChorus (2x)Highways of love are here deep inside  
Showing you the road of love is what I'm asking for  
I can't take this no more can't you see I adore  
All that you offer to me, I love you more and moreChorus (2x)
