# Every Day

## Stevie Nicks

Don't keep me hangin' on a string
Tell me what I feel is no big thing
Don't turn away I'm listening
Over and over againDon't give me visions to explain
There are no doubts I feel the strain
Of all my senses yearning
Over and over againEvery day I see you
Every day I need you
Every way I breathe you
On and on and on and on again, againIt's not important to wonder why
What is just is no more to imply
This simple thought repeating
Over and over againEvery day I see you
Every day I need you
Every way I breathe you
On and on and on and on again, againImagine all the ways to cope
I close my eyes, that gives me hope
It cures the silenceEvery day I see you
Every day I need you
Every way I breathe you
On and on and on and onEvery day I see you
Every day I need you
Every way I breathe you
On and on and on and on
On and on and on and on again, again
