

Believe

Madilyn Bailey

No matter how hard I try
You keep pushing me aside
And I can't break through
There's no talking to you
It's so sad that you're leaving
It Takes time to believe it
And after all is said and done
You're going to be the lonely one, oh oh Do you believe in life after love
I can feel something inside me saying
I really don't think you're strong enough, no
Do you believe in life after love
I can feel something inside me saying
But I really don't think you're strong enough, no What am I supposed to do
Just sit around and wait for you
Well I can't do that
There's no turning back
It takes time to move on
I need love to feel strong
Well I've had time to think it through
And maybe I'm too good for you Do you believe in life after love
I can feel something inside me saying
And I really don't think you're strong enough, no
Do you believe in life after love
I can feel something inside me saying
But I really don't think you're strong enough, no And I know that I'll get through this
'Cause I know that I am strong
And I don't need you anymore, no
Oh I don't need you anymore I don't need you anymore
No I don't need you anymore
No I don't need you anymore Do you believe in life after love
I can feel something inside me saying
But I really don't think you're strong enough, no
Do you believe in life after love, after love
I can feel something inside me saying
But I really don't think you're strong enough, no Do you believe in life after love
I can feel something inside me saying
And I think, I am strong enough
