Can't Let You Go

Joe Lynn Turner

Day after day I'm weikin up
To find that you're slippin away
Night after night
I can' t fight the emptiness inside
Nothing I can say
Now I know you' re turning me away
It' s wearing a disquise
You don' t have to hide cause
The truth is in your eyes tonight

I don' t want to live a lie
But I don' t want to say goodbye
And I can' t let you go
even though it is over
I just can' t let you go
I know you love is growing colder

One look in my eyes and you'd realize
You got my heart in your hands
Won' t you let me know something more
Where did we go wrong ?
I don' t want to fight
All I want to do is try understand
I'm reaching out for you baby
What can i do
I' ve been holding on so long

I don' t want live a lie
But I don' t want to say goodbye
I can' t let you go
even though it's over
I just can't let you go
I know you love is growing colder
I can' t let you go
Even though it's over

I don' t want live a lie
But I don' t want to say goodbye
I want you by my side

And I can' t let you go
Even though it's over
I just can' t let you go
I feel you love is growing colder

I can' t let you go
Even though it's over

I just can' t let you go

Though your love is growing colder

Don' t go
