

# Flinch

## Benza

What's it been over a decade?  
It still smarts like it was four minutes ago  
We only influenced each other totally  
We only bruised each other even more so  
What are you my blood?  
You touch me like you are my blood  
What are you my dad?  
You affect me like you are my dad  
How long can a girl be shackled to you?  
And how long before my dignity is reclaimed?  
And how long can a girl stay haunted by you?  
Soon I'll grow up and I won't even flinch at your name  
Soon I'll grow up and I won't even flinch at your name  
Where have you been? I heard you moved to my city  
My brother saw you somewhere downtown  
I'd be paralyzed if I ran into you  
My tongue would seize up if we were to meet again  
What are you my God?  
You touch me like you are my God  
What are you my twin?

You affect me like you are my twin  
How long can a girl be tortured by you?  
And how long before my dignity is reclaimed?  
And how long can a girl be haunted by you?  
Soon I'll grow up and I won't even flinch at your name  
Soon I'll grow up and I won't even flinch at your name  
So here I am, one room away from where I know you're standing  
A well-intentioned man told me you just walked in  
This man knows not of how this information has affected me  
But he knows the color of the car I just drove away in  
What are you my kin?  
You touch me like you are my kin  
What are you my air?  
You affect me like you are my air  
And how long can a girl be tortured by you?  
And how long before my dignity is reclaimed?  
And how long can a girl be haunted by you?  
Soon I'll grow up and I won't even flinch at your name

Soon I'll grow up and I won't even flinch at your name
