Enthralled

Dirty Epics

I'm enthralled by this force
Priceless peace altering my mind
Essence of higher life
Infiltrates my spiritual beingPerfect state of mind [x2]Grace divine comes to me
Silent God moves within my heart
Giving me certainty
Now I am a fragrance of lifePerfect state of mind [x2]Having knowledge of He who guides me
I see through your empty and hollow lies
You can never separate me from Him
My spirit is forever in His handsI bring forth praises
To He who reings
He is my perfect
State of mind
