

# Tumult

## Stone Sour

Goddamn you! Haven't let you in 'cause I'm in you  
Haven't let you in 'cause I'm in you  
Must have been a bitch, must have been a pain  
Take me off the innocent  
Put me in your vein It's improbable  
Yeah, it's improbable Haven't said a word 'cause you're still on  
Haven't said a word 'cause you're still on  
Mustn't take offense, mustn't take a bow  
Used to be a derelict  
Now I have to live with it It's improbable  
Yeah, it's improbable  
Yeah, it's improbable  
Yeah, you came back, but I know better boy Trip my light fantastic  
Rub me in your wound  
Well I'm not broken, I'm not plastic  
I'm no whore  
Used against me, use me up again It's improbable  
Yeah, it's improbable  
Yeah, it's improbable  
Yeah, you came back, but I know better boy Sometimes I think I'm crazy, other times I know I'm not Got no  
time to time to time, once again  
Got no time to time to time, once again  
Got no time to time to time, once again You don't want me, you don't need me
