Beer Drinker

William Michael Morgan

If you like that car your riding in
Yea the Chevrolet or the Mercedes-Benz
If the road is paved your driving on
That leads to your house you call your home
If there's wires in the wall, if there's paint on the porch
You've got a whole lot to be thankful forThank a beer drinker
A beer drinker
Somebody got something done, brother you can figure
It's a beer drinker in an old ball cap
With dirt on his hands and an ache in his back
So let's give it up for the guys in the clock
That work all week and then twist one off
Thank a beer drinker
And If you like that steak your biting in to
If your hot tub's hot, if your AC's cool
If your roof don't leak, and your fridge is filled, with stuff that shipped on 18 wheels
When you push that button, when you flip that switch, if it all comes on without a hitch
Thank a beer drinker
A beer drinker
Somebody got something done, brother you can figure
It's a beer drinker in an old ball cap
With dirt on his hands and an ache in his back
So let's give it up for the guys in the clock
That work all week and then twist one off
Thank a beer drinker
