

# Man Down

## Mobb Deep

That's my word, God, kick that thug shit, God  
Kick that motherfuckin' thug shit man, word up, man  
(What's up, son? What's up?)  
Word up, get go  
(No doubt, nigga)  
Money no represent, knowI'msayin'?  
(All the time, baby)No doubt  
(YouknowI'msayin'?)  
Who we got here, son?  
(Shine, baby, shine)  
(Look)  
Look who we have here, yo  
(Up in the sky, sky)Here come the vultures, the Mobb-laced potent rap shit  
Perhaps, kid, make it happen, start the flippin'  
You fuckin' comic, who you kidding?  
My nigga's laughing, blood bathin', the world's greatest  
In-famous crime-zanous to interfere would be dangerous  
Plane descent, stand clear, save your strength  
You couldn't do the limp if you was coked up  
By my Z'd up, whatever the fuck, who gives a fuck? You get fucked  
My coalition specializes in collisionThe clash of the cliques, the duel o' the iron mac  
Spit and leave ya half-split  
You'll be missin' much more than a fraction when it's time for action  
Hit 'em while a man down, make that nigga backspin  
Trapped up, a [unverified] madman  
We blastin', you're collapsin', heavily light my gold Mac 10  
Get imprisoned with dem raps they have you relapsin'  
You get castin' the Mobb, deaf and assin'We face splashin', dope fake's ice-pick stabbin'  
He slow leakin', he 'ternally bleedin' for speakin'  
Outta place, niggas get placed back indecent  
Live at the main event may I present  
Screamin' out loud for any squad that's deaf  
My Infamous Mobb, ya heart throb, hold ya breath  
It's KO from dead arm rights and hard lefts  
Another satisfied consumer who got blessed  
Single out ya army til' there's no man leftMan down  
(Man down, down, down, down)  
Man down  
(Man down, down, down, down)

Man down

(Man down, down, down, down)

Lay the fuck down Infamous cartel, visible evidence

We scarred well, associated team benevolent

Never hesitant, opposition get settled here with

Sharp shit that'll rip through one hundred layers of Kevlar

Sharp like the jim star, exiled, son, he get sent far

He's the foulest, QBC gat bust the loudest

Below profile, peep style, thirsty prowest Catchin' court cases, pay for your legal aid

Son, that's money wasted, I ain't got time for that

Invest third place on my best sold rap

On the scrap from the ignorant cats

It'll be dead in a few, just like that

Couldn't bust his gat right

(Yo, y'know what?) But now you bucked your own man, amateur ass

Homeboy take that ass to class

But you cut in, duckin' a reality blast

You catch a D minus fuckin' with New York's finest

The conversation from them outsiders

Dick riders, connivers bomb ya camp

We know survivors, push you off guard, got homicidin'

We analysin', tell you up front ain't no surprises

We take you down first 'round, give ya man pound Man down

(Man down, down, down, down)

Man down

(Man down, down, down, down)

Man down

(Man down, down, down, down)

Lay the fuck down Check it out, dun, them niggas ain't ones

To be blowin' off the top and shit, I'm tired of shit

Dun, I'm about to dot the bitch and leave him stiff

Toss me the fifth so I can bless the God with gift

Yo nigga Noyd, what's the topic? Yo, the topic is this

Let me start from the beginning at the top of the list

First of all them tight niggas with that space-down shit I stick a rocket up in they ass and give 'em a lift

My marvelous Mobb is tonic, intoxicant, bee-swee

Morphine raps, you get dope from inner mind-see

Shit fienin', now get your fix 'cuz you need it

Fuckin' up your intravenous, the Infamous Mobb top secret

The only way you weakin' is if you beakin' this Sneak devy niggas mischievous

'Knowledgin' the God behind the scene on some snake shit

The vultures, water from their mouth but we can taste it

We just waitin' with patience

Yo, dun, check the cross-examination these niggas fakin'

So you can scream, you can fiend, you can dream for the bacon

Or you can snatch the Mac for the fagot, ai  
Bang 'em up, fuck 'em upMan down  
(Man down, down, down, down)  
Man down  
(Man down, down, down, down)  
Man down  
(Man down, down, down, down)  
Lay the fuck down  
Lay the fuck down, down, down, down
