Kassandra

I've got something inside my pocket for you
Been saving it a long time for you
What I'm gonna do, what I'm gonna do
Haven't got a clue, it's the thing 'bout you Giving me a break is not enough can't you see
Working in my space - only disturbing me
What you gonna see, what you gonna see
I'mma push the bottom I'mma push delete Push delete, push delete, push delete
I'mma push the bottom I'mma push delete
Don't need i, don't need it, don't need it
I'mma push the bottom cause I don't need it I've got this feeling of discomfort you see
I'm 'bout to bring it all out of me
What you gonna say, what you gonna say
You be telling me "why you act this way?" I'm gonna let you know I think your lesson's been good
Try telling you your presence's been too
Gotta tell the truth, gotta tell the truth
I'mma push the bottom cause I don't need you Don't need you, don't need you, don't need you
I'mma push the bottom cause I don't need you
Push delete, push delete, push delete
I'mma push the bottom I'mma push delete Rules are simple, rules are settled
No need for me to be questioned
I've, I've
Had enough, I gotta move on
Close the questionnaire on how
Ride, ride Push
Push
Push
Push Push delete, push delete, push delete
I'mma push the bottom I'mma push delete
Push delete, push delete, push delete
I'mma push the bottom cause I don't need it
