Retired

Starflyer 59

So when I wake up it's back to dull
I make my teeth before I roll
I make it clean and make it neat
It's the only way I feel complete'cause I used to be the MVP
I used to be the center of the scene
I used to be the funny one
I used to be the setting sunIt's tough to be retired
When there's so much left to give
But there's so much less to live
It's tough to be retired
So when they no longer need me
I know how quickly youth it leaves
There's nothing new under the sun
There's nothing new at sixty-one'cause man, I used to be the MVP
I used to be the center of the scene
I used to be the funny one
I used to be the setting sunIt's tough to be retired
When there's so much left to give
But there's so much less to live
It's tough
It's tough to be retired
When there's so much I can do
But there's nothing I can do
It's tough to be retired
I used to be the MVP
I used to be the center of the scene
I used to be the special one
I used to be the setting sun
