

White Wedding

Doro Pesch

Hey little sister what have you done
Hey little sister who's the only one
Hey little sister who's your superman
Hey little sister who's the one you want

Hey little sister shot gun!

It's a nice day to start again

It's a nice day for a white wedding

It's a nice day to start again

Hey little sister what have you done

Hey little sister who's the only one

I've been away for so long (so long)

I've been away for so long (so long)

I let you go for so long

It's a nice day to start again

It's a nice day for a white wedding

It's a nice day to start again

Take me back home, yeah

There is nothin' fair in this world

There is nothin' safe in this world

And there is nothin' sure in this world

And there is nothin' pure in this world

Look for something left in this world

Start again

It's a nice day for a white wedding

It's a nice day to start again

It's a nice day for a white wedding

It's a nice day to start again
