Lady I

She's a maniac, maniac on the floor(on the floor)
And she dancin' like she's never danced before(like a dancin' queen)
She's a maniac, maniac on the floor (on the floor)
And she dancin' like she's never danced before(like a dancin' queen)
Attention everything about you attracts attention
When she moves up in that creation
Lights the room when she dances
Into my soul, this girls a soulja
Took her lips, so n soulga
As it into my soul
(Like a dancin queen)
She's a maniac, maniac on the floor(on the floor)
And she dancin' like she's never danced before (like a dancin' queen)
She's a maniac, maniac on the floor (on the floor)
And she dancin' like she's never danced before (like a dancin' queen)
