Don't Stop (Awaken the Empire Remix)

Innerpartysystem

The road I walk is paved in gold
To glorify my platinum soul
I'll buy my way to talk to god
So he can live with what I'm notthe selfish blood runs through my veins
I gave up everything for fame
I am the lie that you adore
I feed the rich and f*** the poorI got, what you want
It's just, don't stop
I got, what you want
It's just, don't stopthis is entertainment
Lies are entertainment
You are down on your knees
Begging me for morethe road I walk is paved in gold
To glorify my platinum soul
I am the closest thing to god
So worship me and never stopthe rested blood runs through my veins
I gave up everything for fame
I am the lie that you adore
I feed the rich, f*** the poorI got, what you want
It's just, don't stop
I got, what you want
It's just, don't stopthis is entertainment
Lies are entertainment
You are down on your knees
Begging me for moreDear future,
I bought you
I own the rightsto let go
Destroy you
This is my lifeDear future,
I bought you
I own the rightsto let go
Destroy you
This is my life...insideI got, what you want
It's just, don't stop
I got, what you want
It's just, don't stopthis is entertainment
Lies are entertainment
You are down on your knees
Begging me for more

Begging me for more
Begging me for more(I got, you want
It's just, don't stop
I got, you want
It's just, don't stop)
