Superman

Donna Fargo

Superman
(Superman)
Superman
(Superman)
SupermanNow, there you go pickin' on me again
Pushin' me to the very end
Tellin' me to move another mountain
Well, just 'cause you can walk on water
That I know, son, I can, you know
Your mama should have named you, SupermanSuperman
(Superman)
Superman
(Superman)
SupermanNow, let's go through this one more time
You do your thing and I'll do mine
But honey baby, we gotta draw the line
If your hangup is messin' with mineAll I can do is the best I can
To change the ways that you can't stand
And if it ain't good enough for Superman
He ain't good enough for meSuperman
(Superman)
Superman
(Superman)
SupermanSo you don't have to rub it in
Just 'cause you're right and I'm wrong again
Sometimes right is just as wrong as wrong isAnd I ain't never gonna learn how to make it plain
And I wouldn't if I could for all the bull in Spain
But you go right ahead and do it, do it SupermanSuperman
(Superman)
Superman
(Superman)
SupermanYeah, let's go through this one more time
You do your thing and I'll do mine
But honey baby, we gotta draw the line
If your hangup is messin' with mineAll I can do is the best I can
To change the ways that you can't stand
And if it ain't good enough for Superman
He ain't good enough for mineSuperman
(Superman)

Superman
(Superman)
SupermanYeah, let's go through this one more time
You do your thing and I'll do mine
Well honey baby, we've gotta draw the line
If your hang up is messin' with mineAll I can do is the best I can
To change the ways that you can't stand
And if it ain't good enough for Superman
