## Bleach

I think you're amazing  
Everything you do and say  
Just blows me away  
I can't stand to be alone  
I can't stand to be without you  
Without you  
All I do is think about you I know you're waiting for an answer  
I could never tell you  
I would never say  
This would be easy  
But it's okay  
'Cause you'll be coming with me Are we hanging by a thread  
Have I pushed you to the edge  
Pray to God that it's okay  
I hope every thing's okay  
And I won't let you get away no I know you're waiting for an answer  
You say you can't wait on no more  
I could never tell you  
I would never say  
That this would be easy  
But it's okay  
'Cause you'll be coming with me So, I'm counting up the days  
Like I always do  
Yeah, I'm counting up the days  
Until I'll be with you I know you're waiting for an answer  
You say you can't hold on no more  
I could never tell you  
I could never say  
This would be easy  
But it's okay  
'Cause you'll be coming with me  
Girl you're coming with me  
Yeah, you're coming with me
