

What Mama Say

Jason Mraz

La, la, da, da, da Whatever mama say you best do it
Whatever mama say you best do it
Whatever mama say
You better listen to your mama Wash your face, use some soap
Make your bed, fold your clothes
Clean your dishes, chew your food
Don't talk back and don't be rude Take your shoes off at the door
Don't track no mud along that floor
Don't forget to take the garbage out
Don't want no excuses anymore Call your sister, cut the grass
Think you're smart? Not so fast
Take your fingers off the remote control
Because mama's watching that Do the dishes, feed the dog
Put out the cat and praise the Lord
It wouldn't hurt you to go to church
Any once in awhile, just get going What mama say is what I'm gonna do
Mama said that I should settle down with a girl like you
I'm gonna work real hard, it's what I wanna do
I'm gonna give you all my lovin' and make you a mama too
Baby, that's what I'm gonna do, I'm gonna make you a mama too La, la, da, da, da Whatever mama say you
best do
Whatever mama say you best do it
Whatever mama say
You better listen to your mama I won't lean back in my chair
Will not run down the stairs
And in case of emergency
I'll wear some fresh underwear I'll keep it callin' when it's in need of repair
I'm gonna get myself a job but I won't cut my hair
"I beg your pardon?", That's what my mama say "Boy, don't get smart and don't talk to me that way
Who do you think you are, boy? You better behave"
She said, "I gave you life, child, I can take it away" What mama say is what I'm gonna do
Mama said, "I should be with a girl like you"
I'm gonna work real hard, it's what I wanna do
I'm gonna give you all my lovin' and make you a mama too
Sugar, that's what I'm gonna do, I'm gonna make you a mama too
That's what I'm gonna do, I'm gonna make you a mama too La, la, da, da, da Whatever mama say you best do
Whatever mama say you best do it
Whatever mama say
You better listen to your mama
