## **One Song**

## **Tevin Campbell**

If we all sing one song One song of love, one song of peace One song to make all our troubles cease One hymn, one theme, one hope, one dream Imagine what tomorrow would bring If we all sing one songIf we all learn the words Just think how great the sound would be And since the tune is in freedom's key One voice you'd hear, so pure, so clear Imagine what tomorrow would bring If we all sing one songThere's just one sun that warms our day The same moon and stars light our way This little ball whirling in space It's our only home, our only placeIf we all sing one song One song of love, one song of peace One song to make all our troubles cease Imagine what tomorrow would bring If we all sing one songIf we all sing one song One song of love, one song of peace One song to make all our troubles cease Imagine what tomorrow would bring Just imagine what tomorrow would bring Just imagine what tomorrow would bring If we all sing If we all sing one songIf we all sing one song One song of peace and love
