

# So Whatcha Gone Do Now?

## Public Enemy

Talkin' dat drive by shit  
Everybody talkin' dat gangsta shit  
Talkin' dat drive by thang  
Everybody talking dat gangsta swang  
Slaves to the rhythm of the master  
Buck boom buck another  
Neighborhood disaster  
(Drummer hit me one) A gun iz a gun iz  
A muther fuckin' gun  
But an organized side  
Keep a sellout niga on the run  
What you gonna do to get paid?  
Step on the rest of the hood  
Till the drug raid  
See you runnin' like roaches  
Black gangstas need track coaches  
The white law set you up raw  
When you have his trust in killin' us  
Talkin' dat gattalk, walkin' dat catwalk  
Where you tryin' to go wit dat  
Don't even go dere wit dat rap  
Guns, drugs an' money  
All you know how  
So whatcha gonna do now? I'm 'bout ready to bounce  
Trouble on the corner of blunt ave  
An 40 ounce, madd uncivilized lifestyles  
30 years bids for kids, now that's wild  
I'm raisin' my child  
I'm steppin' to da curb  
Wit a sign do not disturb  
Too much don't give a fuck  
Or a damn thing  
But choose what the other man bring  
I sing a song 'cause I see wrong  
I'm not down with the fe fi fo  
Where I come from  
See, the brothers ain't dumb  
Sense goes over nonsense  
When it makes no sense  
I'm throwin' up da fence  
Talkin' dat drive by shit  
Everybody talkin' dat gangsta shit  
Talkin' dat drive by thang  
Everybody talkin' dat gangsta swang  
Talkin' dat gattalk, walkin' dat catwalk  
Were you tryin' to go wit dat  
Don't even go there wit dat rap  
Guns, drugs and money  
All you know how  
So whatcha gone do now? The only good niga iz a dead niga  
Dats what they used to say  
Can't understand why a man

Gotta use a trigga  
On his own, suppose to act grownCracka in da back  
Watch a brother pull a trigga on another brother  
Couldn't shoot and shot a motherFour kids alone home  
Ungrown and now they on they own  
Now check yourself cool  
What good is da hood if ya actin' a fool  
Talkin' dat gattalk, walkin' dat catwalk
