Body Of Water

Billy Bragg

I will cross this body of water
If you promise you won't try this at homeYou're where you want to be
Where am I'm up a tree
I had a hurt attack
Rolled away now I'm bouncing backForgive me for feeling sick
I think I just got up too quick
Is this the consequence
Of an out of bed experienceWhere I'm from the sun don't shine
We keeps the light on all the time
I walk upon the ground we dream about
You finding out about it now
But you are clever never to be found
