

Louisiana Strawberry

The Glasspack

Got a little woman in Louisiana,
She's as sweet as Tropicana.
Doesn't matter if it rain or flood,
She's a rockin' that Cajun blood, Go!

Got a little woman in Louisiana,
She's as sweet as Tropicana.
Doesn't matter if it rain or flood,
She's a rockin' that Cajun blood!

Got a little woman in New Orleans,
Ain't never gonna make her leave.
Doesn't matter if you raise your gun,
She's a blockin that Bayou sun!

Got a little lady in Louisiana,
Slick as a swamp salamander.
Doesn't matter if it's rain or mud,
She's a cockinâ€™™ that Southern gun!
