

Lucky

Bif Naked

It was a Monday when my lover told me
"Never pay the reaper with love only"
What could I say to you except, "I love you"?
And I'd give my life for your's I know we are, we are the lucky ones
I know we are, we are the lucky ones
I know we are, we are the lucky ones, dear Remember the time we made love in the roses?
And you took my picture in all sorts of poses
How could I ever get over you, when I had given my life for your's? I know we are, we are the lucky ones
I know we are, we are the lucky ones
I know we are, we are the lucky ones
I know we are, we are the lucky ones, dear My dear, it's time to say, "Thank God for you"
I thank God for you in each and every single way
I know, I know, I know, I know
It's time to let you know
Time to let you know
Time to let you know
Time to sit here and say I know we are, we are the lucky ones
I know we are, we are the lucky ones
I know we are, we are the lucky ones
I know we are, we are the lucky ones, dear Dear, we are the lucky ones, dear
Dear, we are the lucky ones, dear
Dear, we are the lucky ones, yeah
Dear, we are the lucky ones, dear
We are the lucky ones, dear
