

The Life

James Reid

She looking at me
Like she wanna freak
I'm on it
I swim in her sea
Like we on a beach
She love it
I treat her right
Fulfill her desires in life
All because she
She got what I like
She got what I like
The attitude, she's bad, it's true
I'm in love with that ass, it's huge
She's classy too
They looking when she's passing through
5th avenue
She's happy, so I'm
So I'm happy too Ooh, I wanna live the life with you
Balling out like it's our honeymoon
Ooh, girl, money, fashion, flights with you
Living up like we're supposed to do She licking her teeth
Girl, you know I'm weak, I want it
It's only for me
It's only for me
It's only for me
She licking her teeth
Girl, you know I'm weak, I want it
It's only for me
It's only for me
It's only for me My life is like a movie
I beat the game
Y'all know my name
But my confidence is oozing
My song is insane and the haters complain
'Cause we party on a Tuesday
My squad is on that new shit
My fam is chilling, cruising
Y'all know I keep it real and true
Yeah yeah yeah Ooh, I wanna live the life with you

Ballin' out like it's our honeymoon (I wanna a life with you)
Ooh, girl, money, fashion, flights with you
Livin' up like we're supposed to do I spend my time tryna climb up this waterfall
'Cause the bad girl, you want it all
I say what's on my mind and what I feel, I do what I want
Don't really care if it's right or wrong As long as I take a remind (ey)
The fam and the love of my life
My homies is tight
No, I can't sleep at night (wouh)
Baby, the partying life
Are when I'm working at night
Got the target in sight
All of the money, the fashion, the flights (fashion, flights)
Me and my baby, our future is bright
Baby, our future is bright Ooh, I wanna live the life with you
Ballin' out like it's our honeymoon (yeah, hea)
Ooh, girl, money, fashion, flights with you
Living up like we're supposed to do (drinking passion fruit) Ooh, I wanna live the life with you
Ballin' out like it's our honeymoon (it's our honeymoon)
Ooh, girl, money, fashion, flights with you
Living up like we're supposed to do Ooh, I wanna live the life with you
Ballin' out like it's our honeymoon
Ooh, girl, money, fashion, flights with you
Living up like we're supposed to do
