

# The Speed of Sound (Remix)

## In Stereo

There's a million different words  
That I could sing to you  
(I could sing to you)  
All the songs that I wrote, they don't mean anything  
If you don't want them to  
(If you don't want them to) Do you know that I feel so far away  
(far away, far away)  
And I won't let go of yesterday  
(yesterday, yesterday)  
Do you know just how a heart can break  
Cause I don't know how much I can take  
And you know that I won't be afraid  
Now you got me on the edge I'm fall, falling to the ground  
But you can't help me now  
Your way above the clouds  
I'm try, tryin' to reach you now  
But I can't work out how  
I'm falling at the speed  
The speed of sound A cement-feathered bird  
Could fly just like a Phoenix  
But every time that I try  
You just don't want to see it The impression I get is  
You just don't care about me  
The reflection that's left  
Girl I can't see you around me Do you know just how a heart can break  
Cause I don't know how much I can take  
And you know that I won't be afraid  
Now you got me on the edge I'm fall, falling to the ground  
But you can't help me now  
Your way above the clouds  
I'm try, tryin' to reach you now  
But I can't work out how  
I'm falling at the speed  
The speed of sound  
Speed of sound  
(Woah oh oh oh)  
Speed of sound  
(Woah oh oh oh) I'm falling at the speed  
The speed of sound

Speed of sound  
(Woah oh oh oh)  
Speed of sound  
(Woah oh oh oh)I'm falling at the speed  
The speed of soundI'm fall, falling to the ground  
But you can't help me now  
Your way above the clouds  
I'm try, trying to reach you now  
But I can't work out how  
I'm falling at the speed  
The speed of soundI'm fall, falling to the ground  
But you can't help me now  
Your way above the clouds  
I'm try, trying to reach you now  
But I can't work out how  
I'm falling at the speed  
The speed of sound  
Speed of sound  
(Woah oh oh oh)  
Speed of sound  
(Woah oh oh oh)I'm falling at the speed  
The speed of sound  
Speed of sound  
(Woah oh oh oh)  
Speed of sound  
(Woah oh oh oh)I'm falling at the speed  
The speed of sound
