What Is Time?

House of Large Sizes

Ha!
She said, she said, she said
And she don't wanna hear about it, no
You see it's ditchin' times in my life
And I don't care to talk about it
But I got nowhere to go
Time and time and time again
She said, she said, she said
And she don't wanna hear about it, no
You see if you read my mind you'll find
That I don't even know about you
Sure is cold out here tonight
Time and time and time again
Ha!
She said, she said, she said
And she don't wanna hear about it, no
You see it's murderin' time and I find
That you don't wanna know about it
No!
Sure is cold out here tonight
Time and time and time again
