

# Cause You Are Young

## C.C. Catch

Heartache, heartache, heart was gold  
All it had you instant cold  
Lonely, lonely wasted years  
You're a winner with bad souvenirs  
You're a hero, you're a man  
You're a winner, take my hand 'cause you are young  
You will always be so strong  
Hold on tight to your dreams, hold on  
You are right, don't give up  
(Baby, baby, baby)  
'cause you are young  
You are right and you are wrong  
You are a hero, next day you're done  
So hold on to your dreams All or nothing you can give  
Live your life, love to live  
Oh man, oh man, feel the night  
Strong enough till the morning light  
You're a hero, you're a man  
You're too tough to lose this game
