

# Pump It Up

## Exodus

I've been on tender-hooks ending in dirty looks  
Listening to the muzak, thinking 'bout this 'n' that  
She says that's that, I don't wanna chitter chat  
Turn it down a little bit or turn it down flatPump it up when you don't really need it  
Pump it up until you can feel itDown in the pleasure center, hell bent or heaven sent  
Listen to the propaganda, listen to the latest slander  
There's nothing under hand that she wouldn't understandPump it up until you can feel it  
Pump it up when you don't really need itShe's been a bad girl, she's like a chemical  
Though you try to stop it, she's like a narcotic  
You wanna torture her, you wanna talk to her  
All the things you bought for her could not get her temperaturePump it up until you can feel it  
Pump it up when you don't really need itOut in the fashion show, down in the bargain bin  
You put your passion out under the pressure pin  
Fall into submission, hit and run transmission  
No use wishing now for any other sinPump it up until you can feel it  
Pump it up when you don't really need it
