# Golden Web

## Howling Bells

You bit me, yeah, you bit me
Then you ran away just like a spider
You caught me, you released me
Then you ran away just like a spiderI've been bitten by a spider
I've been hunted by a liar
I've been bitten by a spider
And now there's nowhere to runYou trapped me with your money
Then you spun your web all around meI've been bitten by a spider
I've been hunted by a liar
I've been bitten by a spider
And now there's nowhere to runI've been bitten by a spider
I've been hunted by a liar
I've been bitten by a spider
And now there's nowhere to runAh, ah, haa
And now there's nowhere to run
Ah, ah, haa
And now there's nowhere to run
Ah, ah, haa
And now there's nowhere to runI've been bitten by a spider
I've been hunted by a liar
I've been bitten by a spider
And now there's nowhere to run
