Song: "In Dreams"
Album: "Anthems for the Damned"
Written by: Richard Patrick
Come take me
To the place of your bereavement
Let me see
The scars of your allegiance
Well it's good to see
That you're skeptical
That your mind aint closed
And your heart is cold
Yeah yeah
I'm gonna make you wait
I'm gonna liberate
This dream ends now
I'm gonna fascinate
I'm gonna change your fate
This dream ends now
Come with me
If you want to see the real thing
Let me lead
You'll see what keeps you breathing
And it's good to see
When you look at me

And that I'm the one
To the tenth degree
Yeah
I'm gonna make you wait
I'm gonna liberate
This dream ends now
I'm gonna fascinate
I'm gonna change your fate
This dream ends now
Once I believed
But I'll never believe you
[x4]I'm gonna make you wait
I'm gonna liberate

This dream ends now
I'm gonna fascinate
I'm gonna change your fate
This dream ends now
I'm gonna make you wait
I'm gonna liberate
This dream ends now
I'm gonna fascinate
I'm gonna change your fate
This dream ends now
