Mrs. Right

Alpheus

Where ... is Mrs.Right ... I gotta find ... her her
[Chorus]Where is Mrs.Right, I gotta see her, Travel all across the world just to meet her,
Get me on a flight, I gotta see her, Travel all across the world just to meet her,
Lets travel to LA , Maybe to the Bay, From the Chi-Town, Or she might be out the states,
Book a flight to London, Book a flight to France, Can we go to Switzerland, Can we hit Japan
[Verse 1]Shawty say ya dont, but I bet you do, MB on your ringtone, posters in your room, sassy little thing,like like the way you talk, heard you got the goods go ahead show them off, take a picture quick, send it to my phone, dimple in your cheek, white gucci stunnas on, don't know where you've been hiding from me so long, Prodigy, Roc, RayRay and Princeton we on so baby come on
[Chorus]Where is Mrs.Right, I gotta see her, Travel all across the world just to meet her,
Get me on a flight, I gotta see her, Travel all across the world just to meet her,
Lets travel to LA , Maybe to the Bay, From the Chi-Town, But she might be out the states,
Book a flight to London, Book a flight to France, Can we go to Switzerland, Can we hit Japan
[Verse 2] [Diggy]Light Skinned, Dark Dark Skinned, Long Hair don't care long as your heart in it,
Looking for my Mrs, enough to drive me insane, Matter fact Aye Yo Prodigy sang

[Chorus]Where is Mrs.right, I gotta see her, Travel all across the world just to meet her,
Get me on a flight, I gotta see her, Travel all across the world just to meet her,
Lets travel to LA , Maybe to the Bay, From the Chi-Town, Or she might be out the states,
Book a flight to London, Book a flight to France, Can we go to Switzerland, Can we hit Japan
[Bridge]Flying so high, So high,
