

Shhh... (Hope Diggy)

The Apex Theory

Hope diggy da, chicky diggy da, ras-pi-ran-te
Hope diggy da, chicky diggy da, ras-pi-ran-te
Hope diggy da, chicky diggy da, ras-pi-ran-te
Hope diggy da, chicky diggy da, ras-pi-ran-teSome people have the tendency of sucking the life out of me
Try and fill me with forthcoming
Excess is the way of the wise
Even when they are left alone, one hand's on ryeA thousand rambles in a second
Tiny tip is tired and will not tolerate toilet tokens
Until he is Topsy turvy
So stop the torment, you traitorsI can't take the squeaks anymore than I can take you
I'm sure you're sick of me, well, I'm sick of you too
We haven't gone far enough, my friend, if you send we'll understand
Enter the voice and avoid the void, you're safe with the flagLocal lopsided judges lure lunacy over loony loud
lumpy loopholes
With lingo that's loathsome
And shady shameless shamsters
Shake and shape shaggy young people with sharp teethOn shelves of ship shaped sharp-eyed shop owners
While customers consume large quantities
Of curiously cultivated curtains, alongside crowds of crude oils
Crossed and crooked atop a crushed ice makerI can't take the squeaks anymore than I can take you
I'm sure you're sick of me, well, I'm sick of you too
We haven't gone far enough, my friend, if you send, we'll understand
Enter the choice and avoid the void, you're safe with the flagHope diggy da, chicky diggy da, ras-pi-ran-te
Hope diggy da, chicky diggy da, ras-pi-ran-te
Hope diggy da, chicky diggy da, ras-pi-ran-te
Hope diggy da, chicky diggy da, ras-pi-ran-teHope diggy da, chicky diggy da, ras-pi-ran-te
Hope diggy da, chicky diggy da, ras-pi-ran-te
Hope diggy da, chicky diggy da, ras-pi-ran-te
Hope diggy da, chicky diggy da, ras-pi-ran-teI can't take the squeaks anymore than I can take you
I'm sure you're sick of me, well, I'm sick of you too
We haven't gone far enough, my friend, if you send, we'll understand
Enter the choice and avoid the void, you're safe with the flag
Safe with the flagHope diggy da, chicky diggy da, ras-pi-ran-te
Hope diggy da, chicky diggy da, ras-pi-ran-te
