## Easy Listening Guitar Music

Easy listening  
I'm in that easy listening mode  
Easy listening  
Why don't we do it in the middle of the road? Kick off your shoes, sit back, relaxez-vous  
Tell me what more can an old rocker do? Easy listening  
Easy listening Easy listening  
(Never mind the world outside)  
Easy listening  
(Famine, war and genocide) Easy listening  
(Forget the looney on the loose)  
Easy listening  
(Rising crime and child abuse) Ignore the poisoned atmosphere  
Open up another beer  
The media feeds ya everyday  
What to think and say Kick off your shoes, sit back, relaxez-vous  
(Relaxez-vous, relaxez-vous, relaxez-vous)  
Tell me what more can an old rocker do?  
(Rocker do, rocker do) Easy listening  
(Life could be a dream)  
Easy listening
