

Coo Coo

Janis Joplin

Oh, the cuckoo, she's a pretty bird
And she warbles when she flies
But she never hollers cuckoo
Till the fourth day of July Said Jack O' Diamonds, well Jack O' Diamonds
Well, I know you of old
Honey, you've robbed me of my silver
And out of all my gold
All of my gold, all of my gold Well, Jack O' Diamonds, oh, Jack O' Diamonds
Oh, I knew you of old
Honey, you robbed me of my silver
And out of all my gold Said, the cuckoo, she's a cruel bird
And she warbles when she flies
And every time that she passes
My true love says goodbye
