

# Crazy Over You

## Ebony Day

I don't know what's going on  
How can it feels like you've been gone for so long  
There is something very wrong  
I get scared when I started thinking that you might be the one Ohh no  
I never felt like this before  
Ohh no  
I need you to know I can't eat, can't sleep  
When you near me, I can't breathe  
You got me acting like a fool I try to hate you  
That's something that I could never do  
Boy, you're too good for me to lose I'm crazy over you  
You-ou-ou-uu  
I'm going crazy over you  
You-ou-ou-uu  
I'm going crazy over you-ou This isn't how it's supposed to be  
I can't believe I'm chasing you  
When you should be chasing me  
I try to keep it all inside  
Where do you go  
Where do you go when you got nowhere to hide Ohh no  
I never felt like this before  
Ohh no  
I need you to know I can't eat, can't sleep  
When you near me, I can't breathe  
You got me acting like a fool I try to hate you  
That's something that I could never do  
Boy, you're too good for me to lose I'm crazy over you  
You-ou-ou-uu  
I'm going crazy over you  
You-ou-ou-uu  
I'm going crazy over you-ou Baby, I'm crazy  
Crazy over you  
You got a secret  
You crazy for me too I can feel like when we kiss  
I can taste it on your lips  
So what if we crazy? I can't eat, can't sleep  
When you near me, I can't breathe  
You got me acting like a fool I try to hate you  
That's something that I could never do

Boy, you're too good for me to lose I can't eat, can't sleep  
When you near me, I can't breathe  
You got me acting like a fool I try to hate you  
That's something that I could never do  
Boy, you're too good for me to lose I'm crazy over you  
You-ou-ou-uu  
I'm going crazy over you  
You-ou-ou-uu I'm going crazy over you  
You-ou-ou-uu  
I'm going crazy over you-ou  
You-ou-ou-uu
