

# Give Blood

Pete Townshend

Give blood but you may find that blood is enough  
Give blood and there are some who'll say it's not enough  
Give blood, but don't expect too ever see reward  
Give blood, you can give it all but still asked for more  
Give blood, but it could cost more than your dignity  
Give blood, parade your pallor in iniquity  
Give blood, they will cry and say they're in our debt  
Give blood, but then they'll sigh and they will soon forget  
Where heading for the day of reckoning  
I'm telling ya, it's all building up to something  
Something that can be repeated with fire  
So give love and keep blood between brothers  
Give love and keep blood between brothers  
Give love and keep blood between brothers  
Give love and keep blood between brothers  
Give blood, but you may find that blood is not enough  
Give blood and there are some who'll say it's not enough  
Give blood, but don't expect to ever see reward  
Give blood, you can give it all but still asked for more  
So give love and keep blood between brothers  
Give love and keep blood between brothers  
Give love and keep blood between brothers  
Give love and keep blood between brothers  
Give love and keep blood between brothers  
Give your love and keep blood between brothers  
Give love and keep blood between brothers  
Give love and keep blood between brothers  
Give love and keep blood between brothers
