

Ride Or Die

Angel

Yeah (yeaah)

Yeah (yeaah)

Yeaah

What the hell is happening?

All she did was give it to me once

And now I'm back up in Dagenham

Like I had to hit the back again

Turned edgy on the cab man

Tryna' to beat the traffic and

I can see what's happening,

She got me hook like a brother on the pipe, cracks back again

I'm all up in the flats, no oxygen[Chorus]

I think I better go back to my ride or die

She's waiting at home,

I think I better go back to my ride or die

She's waiting, at home I'm feeling so worked again,

No I couldn't resist

I had to give it one last tap again

Return of the mac again

One missed call and I'm asking where? and when?

Trapped in

It's the pleasure principles so I'm guessing that I have to bend

And my lady friend she's a ten

But i'm still seeing that I have to go back to my...[Chorus]

...ride or die,

She's waiting, at home

Think I better go back to my (my ride)

Think I g-g-g-go back to my (my ride)

(my ride) She's waiting, at home[Misha B]

Routine, another sweet nightmare

Rise from the mist 'coz I don't wanna be here (no)

How do I, where do I go?

Why oh why cant I not say noo?

Lost in it for a moment, (lost in it for a moment)

No-one has spoken, (no-one has spoken)

Eye to eye realize 'coz we both no we can never be 'coz she's your...[Chorus]

...ride or die

She's waiting, at home

Go back to your, ride or die

She's waiting, at home
Girl I think I better go back to my, ride or die
(She's your ride she's right by your side)
She's waiting, (yeahh)
At home
I think I better go back to my
Ohh oh, hoo hoo baby (she's waiting)
At home
Go go go go go go go go go go
Go go go go go go go go go go
Go go go go go go go go go go
Go go [= x32]
