

# Hold Your Fire

Morgan O'Kane

I'm like a loaded gun I got you in my sight  
And you're the only one I want to shoot tonight  
Ready an' able the trigger to fire  
Locked on target for my desire  
Got you covered and there's nothin' that you can doBut say  
Hold your fire  
Hold your fireI'm speedin' like a bullet never miss my mark  
With infrared eyes that can see in the dark  
Actions semi automatic satisfaction the instant I hit  
I got you covered and there's nothin' that you can doBut say  
Hold your fire  
Hold your fireHold your fire  
Hold your fireHold your fire  
Don't make me fire  
Hold your fire  
Only desire  
Hold your fire  
Your desireHold your fire
