The One

Debbie Gibson

The one for me is you
So just call my name and I'll be there for you
You gotta be with me and have to say
"Well baby, I am the one for you and you're the one for me"
It's a perfect match
And you no it, I am here today for you
To just say I am the one for you
And your the one for me and we'll be livin' through reality
Baby, don't you no it, I am lost in your eyes
And I just can't find my way outside
'Cuz I am so in love with you, baby
And I know you feel the same way too
You just don't wanna say it and you know I am in love deeply
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh just say
You love me and we will be together one sweet day
It's love, it's for sure I love you baby and you're the one for me
I oh, you're the one so just say
"Come on baby, I am the one for you
And you don't have to worry
Everything is gonna be alright"
