

# Don't Let the Sun Go Down On Me

**Damien & Adam Levine**

I can't light no more of your darkness  
All my pictures seem to fade to black and white  
I'm growing tired and time stands still before me  
Frozen here on the ladder of my lifeIt's much to late to save myself from falling  
I took a chance and changed your way of fife  
But you misread my meaning when I met you  
Closed the door and left me blinded by the lightDon't let the sun go down on me  
Although I search myself, it's always someone else I see  
I'd just allow a fragment of your life to wander free  
But losing everything is like the sun going down on me  
Don't let the sun go down on me  
Although I search myself, it's always someone else I see  
I'd just allow a fragment of your life to wander free  
But losing everything is like the sun going down on me
