

# Not Tonight

**Kristy Lee Cook**

Ooh yeah, my favorite addiction  
You're no good to me but all this attraction  
    Makes it hard to see the line  
    Between what's right and what I wanna do  
So I've got to tell you I'm gonna pack my bags, leave a lipstick letter  
    Take the first plane out of town  
    I can't lie, I won't cry, I won't tell you goodbye  
    And I won't turn around You're gonna be a sweet memory  
    But you'll never be Mr. Right  
    I'm gonna leave you, baby

Yeah, someday I'll leave you, baby, just not tonight You're so beautiful, you make me feel so free  
    And I get so emotional when your lips touch me  
    I just can't breathe  
    But deep inside I know this can't work out  
So any day now I'm gonna pack my bags, leave a lipstick letter  
    Take the first plane out of town  
    I can't lie, I won't cry, I won't tell you goodbye  
    And I won't turn around You're gonna be a sweet memory  
    But you'll never be Mr. Right  
    I'm gonna leave you, baby

Yeah, someday I'll leave you, baby, just not tonight 'Cause I'm drowning here in your eyes  
    And baby, it feels like paradise  
    You know I need to leave you

But I can't leave you, I can't leave you now You're gonna be a sweet memory  
    But you'll never be Mr. Right  
    I'm gonna leave you, baby

Yeah, someday I'll leave you, baby, just not tonight Oh, no, not tonight  
    No, no, no, no, no
